

# Preserve The Scenic Mountain Loop

We, the undersigned, oppose the construction of a motocross racing facility on the Mountain Loop Highway as proposed by Paul Thomas Motocross Parks (Snohomish County reference # 07-101924-000-00-LU). A motocross racing facility at this location will create significant new financial and safety burdens for Snohomish County residents and negatively impact the current scenic beauty and natural environment enjoyed by residents and recreational users of the Robe Valley.
